Korn Ferry 360[®] Feedback Facilitation & Interpretation Workshop

Feedback facilitation and coaching

During this practical and interactive two-day workshop you will learn how to design and implement best-practice 360-Degree programs, interpret reports and facilitate highly effective feedback sessions for individuals.

Objectives:

- Discuss the theory, use and best practices for 360-Degree feedback.
- Describe how learners and raters will use the KF360 online survey system to provide feedback.
- Describe and accurately interpret a KF360 feedback report.
- Plan a learner feedback session.
- Provide coaching to feedback receivers at Level One or better.
- Help learner identify determine priorities for near term and long term performance improvement and career development.
- Explore proven methods to implement a 360-Degree program in your organisation.

Outcome:

A process for giving valuable feedback to individuals so they understand their data and can create a meaningful development plan.

Course Fee:

The fee for this two-day course is AUD 3,750 plus GST. This includes course notes, lunch and refreshments and the resources listed below.

Resources:

At this workshop, you will receive the following:

- Sample KF360 Reports, course notes, reference materials and templates, lunch and refreshments.
- One KF360 360-Degree survey for your own use, and personal coaching prior to the first feedback session you will deliver.

Prerequisite for this workshop: Korn Ferry Leadership Architect™ Certification
