Korn Ferry Leadership Architect™ Certification Workshop

Evolve your competency model

Built on best practices and decades of research, the new Korn Ferry Leadership Architect™ offers the most powerful global framework available today. Learn how to implement all 38 competencies or a tailored model within your organisation to align your business strategy with your talent strategy.

Objectives:

- Interpret the research and best practices behind the new 38 competency framework.
- Identify differentiating competencies critical for success across an organisation.
- Compare competency data to normative research studies, including skill level in the workforce, performance correlations by level and risks of derailment.
- Recognise all 10 career stagers and stoppers and determine approaches for driving behaviour change.
- Differentiate development strategies for individuals at multiple levels.
- Explore how to implement competency models and language into existing HR and OD systems and processes.

Outcome:

A global framework to drive higher business performance by effectively managing and developing your most important asset - your talent.

Course Fee:

The fee for this two-day course is AUD \$2,950 plus GST. This includes course notes, lunch and refreshments and the toolkit listed below.

Toolkit:
